

Frequently Asked Questions for Families

When does school start?

School starts officially the day after Labor Day so September 3 for 3 and 5 day per week classes and September 5 for 2 day per week classes. We will have student orientations on August 29 and 30. More information about the orientation is in the Save the Date handout.

When does school end?

School ends the Friday before Memorial Day each year.

When will we have our home visit?

Your teacher will call you in early August to set up your home visit some time during the month of August.

What is a home visit?

The home visit is a time where your child's teacher visits your child at your home. This allows the child to make the one on one connection with the teacher and show them all the things they love. This is a very low key visit and a great opportunity for everyone to feel connected before school begins.

Can we have a playdate with our classmates this summer?

Some classes get together for playdates over the summer and others are just too busy enjoying family time. The class coordinator might reach out to schedule something, but feel free to contact the school for a class list if you just want to touch base with classmates.

You will receive an emailed invoice around the first of the month depending on the payment schedule you set up. If you don't receive an invoice, but you feel like you should have, please contact the school.

How can I make payment over the summer?

You can call the school to make payment, pay from the click-to-pay invoice or send a check to our school address which is 914 N 19th Street, 80904.

When can we do our maintenance hours?

We will have Maintenance Days in mid to late August. Pick one or a couple of those days and knock out your 8 hours! See our calendar for the dates.

When is the new parent orientation?

August 15 - 5 pm to 6:30 pm

August 20 - 6 pm-7:30 pm

New families and families who are returning after a break must attend one of these adult-only sessions.

Returning parents wishing a refresher course are welcome also!

What committee am I on?

If you have not received your committee assignment, don't worry! The assignments will go out by the last week of July!
